?? THE JR HIGH - MYSTERY TRIP ??

The Details Please...

Junior high youths, don't ask, it's a mystery, we're not telling! Parents, of course we'll tell you all of the exotic locations and intricate details for our fabulously and fantastically fun mystery trip... like where we're going, what the mystery involves, how we're going to pull it off... It's going to be great! Please don't let your junior higher miss out on the fun, fellowship and opportunity for spiritual growth.

Parents please call John or Katie for the trip details. Every twist and turn of the trip is well planned. We will be traveling as a group at all times and have cell phones. We would gratefully appreciate you encouraging your youth to leave distractions behind (e.i. cell phones, iPods, etc.); the benefit could last a lifetime. Parents, please help us to keep this trip a mystery; no leaks.

Invite your friends, spread the word. The Covenant Junior High Mystery Trip is ON!
